Masters & Contemporary

For Adult Learners 18+

Expand the creative potential within!

Immerse yourself in a captivating artistic journey that celebrates the timeless beauty and innovative spirit of classic and contemporary artists. Masters and Contemporary +18 is an exclusive course designed for adult learners seeking to deepen their understanding and appreciation of art. From the masterpieces of renowned artists like Leonardo da Vinci and Vincent van Gogh to the groundbreaking works of contemporary visionaries like Banksy and Yayoi Kusama, experience the aesthetic self-construction that comes from engaging with diverse artistic expressions.

Key Takeaways

1. **Aesthetic Self-Construction:** Delve into the depths of your creative self, nurturing your artistic expression and personal growth.
2. **Uncover Insights:** Art unveils profound insights into the human experience, expanding your perspectives and enriching critical judgment.
3. **Cultural Shaping:** Art serves as an invitation to constant interaction, empowering you to shape and contribute to our shared culture.
4. **Guided Exploration:** Our experienced instructors provide expert guidance, fostering meaningful discussions and guiding you on your artistic and personal journey.

WHO WE ARE

ABCD, Anybody Can Draw, is an inclusive visual art education platform that enriches learning by embracing visual art practice as a social and personal journey. We foster innovation, imagination, and meaning through visual art, shaping knowledge, expanding perception, and promoting self-improvement. By exploring the potential of visual art, we redefine the notion of being an artist, nurturing productive behavior, design values, and environmental reshaping. Our grassroots training programs encourage curious and playful learning, contributing to a cognitive bloom in our culture.

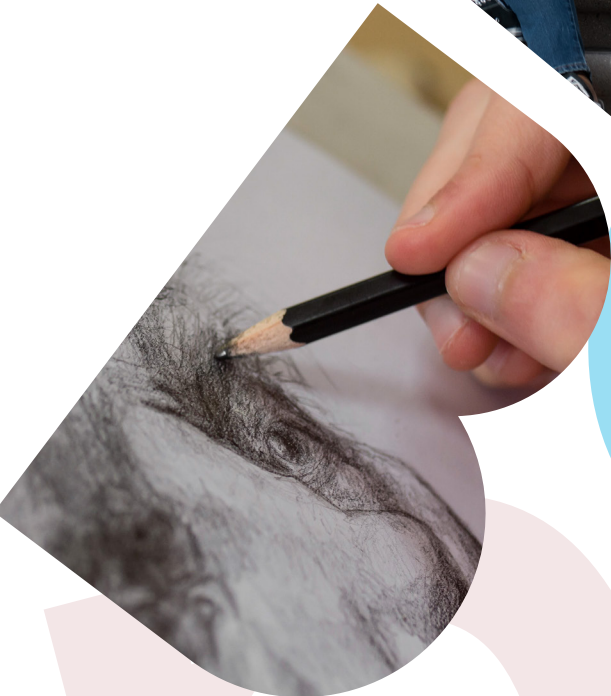

OUR VISION

Make visual art practice more accessible to everyone.

OUR MISSION

Empowering people to draw, think and innovate.

OUR PROMISE

A well crafted syllabus for every program & eminent faculty

Unique instruction design to accomplish course objectives

Cognitive -fashioned contents to make outstanding performance

Trans-disciplinary approaches to liberate the perception and progress

Year end exhibitions for all courses

Efficient learning and heightened sensitivity to knowledge acquisition
